1920 CENSUS—INDEX
DEPARTMENT OF COMMERCE
BUREAU OF THE CENSUS

12-24-11

2. **STANDARDIZATION**—The standardization of the test was accomplished by having 100 subjects, 50 males and 50 females, aged 18 to 30, take the test. The subjects were selected from a variety of sources, including high schools, colleges, and the general public. The test was administered to the subjects in a controlled environment, and the results were analyzed to determine the reliability and validity of the test.
